

MIRADOR

HISTORIC OSTERIA

SINCE 1969

WHO IS MIRADOR?

Mirador is a historic osteria that combines the warmth of home with the elegance of Alghero's Bastions.

Here, Alghero-Catalan cuisine is reinterpreted with a contemporary touch while staying true to tradition: familiar flavours, locally sourced ingredients, vibrant colours, and refined pairings.

An authentic taste of Alghero, meant to be enjoyed slowly, in an atmosphere of conviviality and beauty.

MIRADOR WAS BORN WHERE THE
MEDITERRANEAN MIXES ITS MEMORIES AND
BRINGS THEM TO LIFE IN THE PRESENT.

KEYWORD: AUTHENTICITY

Mirador's dishes speak the language of the Mediterranean. They are shaped by the sea, scented with the aromas of the land, and inspired by recipes passed down through generations, now brought into a new light.

Tradition is not rewritten — it is listened to.

OUR HOME. YOUR HOME

Mirador is set within an ancient noble residence on Alghero's Bastions, where the Mediterranean is present in every detail.

Outside, your gaze drifts between sea and sky on summer evenings; inside, the traces and echoes of the past live on in the intimate and welcoming garden.

FOOD FOR THE BODY—AND MORE

At Mirador, food nourishes the heart too: a meal becomes an experience that stays with you. Here, lunch is not just about sitting down at the table, but about taking the time to truly savour life.
